

Dear Candidate:

Congratulations on your decision to seek public office on the Republican Primary ballot on March 5, 2024. The contents of this information folder are designed to give you helpful information that we think will make your filing and campaigning a little easier.

Most of the information is self-explanatory, but I do want to draw your attention to the items you should provide in addition to the notarized application for a place on the ballot and the required filing fee appropriate to the office for which you are filing:

- Completed Candidate Contact Information form
- Signed Code of Fair Campaign Practices form
- Completed Candidate Platform Review form

We will keep these things in your file as documentation of your candidacy. The questionnaire relating to State Platform and State Rules helps us to get to know you better as a Republican.

Additional items in your folder are not required for filing but rather to assist you as a candidate includes:

- FAQs
- Helpful Contact Information
- HQ Guidelines
- Calendar of Upcoming Events
- Networking and Advertising Opportunities
- Lincoln Reagan Dinner Information

Important Note: The items in this folder are only to exchange information between candidates and DCRP. All forms and instructions required by Republican Party of Texas and Secretary of State should be available at this site <https://TexasGOP.org/Filing-Information-24/> and are the responsibility of the candidate.

The Primary Administrator Heather Moss will be available to accept and notarize your application for office by appointment only. She can be reached via email at PrimaryAdministrator@DentonGOP.org.

Good luck with your campaign and we look forward to seeing you at many Party events!

Sincerely,

Brent Hagenbuch
Chairman
Denton County Republican Party
