Please list current and previous Republican volunteer and other activities. Include campaigns worked, club activities, leadership roles, offices held, volunteer activities, and similar experience. **By signing below, I state my intention to vote or did vote in the 2024 Republican Primary and also confirm my affiliation with the Republican Party for 2024-2025 election cycle. I understand this prohibits my participation in the primary election and/or conventions of any other political party during the current election cycle. I plan to attend all or most district caucuses and general sessions during the State Convention. The Party does not pay expenses and I understand <u>I will pay my own travel, meal, hotel, and other expenses.</u> (There will be blocks of rooms at a discount rate.) In addition, delegates and alternates will be asked to pay a small facilities fee to the Republican Party when they register.**
